“Mike Morgan , Team Principal , drivers and owners in personal union , of Wartrace Tennessee has its privately built race truck already as good as done . With the number 88 of the black Mack - Hauber will go to the team Powershift performance at the start. The privateer , truck technician by profession, is still looking for sponsors potent that will make a complete season possible .”

The article also covers other ChampTruck drivers and teams, links to PowershiftPerformance.com website, and shows multiple photos of the Powershift Performance truck and race team.
